FULL TIME

FULL STACK DEVELOPER

POSITION SUMMARY:

Blue Falls Manufacturing, one of largest spa manufacturers and distributors in Canada, is seeking a full-time Full Stack Developer to join our dynamic team. The main objectives of this position are to build and develop our fully fledged platform SpaBoy (which ensures interaction between controls, maintenance, analytics, users, etc.), work with product integration (including databases, servers, and clients) and our website. This position requires knowledge of and experience with common stacks, multiple front-end and back-end languages, and familiarity with databases. We are looking for a team player with skills in visual design and utility. Pending COVID-19 restrictions, at least ½ of worktime time will require working from Thorsby.

QUALIFICATIONS:

- Bachelor degree in Computer Science or related field
- A minimum of 5 years of experience in the full stack developer or similar role
- Experience developing desktop and mobile applications
- Familiarity with common stacks
- Knowledge of multiple front-end languages and libraries (e.g. HTML/ CSS, JavaScript, XML, jQuery)
- Knowledge of multiple back-end languages (e.g. C#, Java, Python) and JavaScript frameworks (e.g. Angular, React, Node.js)
- Familiarity with databases (e.g. MySQL, MongoDB), web servers (e.g. Apache) and UI/UX design
- Demonstrated experience in project management in a product development context
- Solid knowledge of systems architecture & operating systems principles (LINUX, YOCTO, etc.)
- Experience in configuration of servers and systems. (SSH, shell, LINUX, apache, SSL)

ROLE SPECIFICATIONS:

- Ability to take initiative for tasks
- Ability to coordinate work with the team
- Ability to be flexible and resourceful
- Ability to be collegial, cooperative, and collaborative
- Excellent organizational skills with ability to prioritize tasks
- Excellent time management skills and project management
- Diligent and detail oriented
- Excellent verbal and written communication skills

ENGINEERED FOR THE WORLD'S HARSHTEST CLIMATES

You Deserve it!
